

## The Ultimate Flying Experience :

Air India brings you the world's most technologically advanced aircraft. The B 777-200 LR

Flying Daily  
**MUMBAI - NEW YORK - MUMBAI**

Now starting Daily NONSTOP Flights  
**DELHI - NEW YORK - DELHI**  
eff. 8th Feb. 2008

### Save upto 4 Hrs between Mumbai/ Delhi

The NONSTOP significantly reduces travel time between Mumbai and the United States, reducing the flight duration by at least four hours in each direction when compared to other airlines.

### Convenient Departures and Arrivals

Departure from Mumbai at 0045 (local time), arrival into JFK at 0710 on the same day.  
Departure from JFK, New York at 2130, and arrival into Mumbai at 2215 the following day.  
Departure from Delhi at 0030 (local time), arrival into JFK at 0545 on the same day.  
Departure from JFK, New York at 1600 and arrival into Delhi at 1630 the following day.

### **Advanced In-flight Entertainment**

The in-flight entertainment (IFE) system on the aircraft is capable of 400 hrs of AVOD (Audio Video on Demand). LCD monitors are installed in each seat.

### **Sumptuous Food & Drink**

Savor Air India's hospitality with sumptuous and nutritious meals, specially selected and prepared by world renowned chefs. On offer is a wide range of tantalizing appetizers, extravagant main courses and exotic desserts. Guests will be served a fine selection of wines and spirits.

### **Double Mileage Points\***

Members of Frequent Flier program will receive double mileage points on these flights.

### **Non Stop Shopping\***

Guest will be offered gift vouchers for inflight shopping - \$75 for First class and \$50 for Executive class per sector.

\*Valid for travel Delhi-New York-Delhi upto 30th April 2008 only.

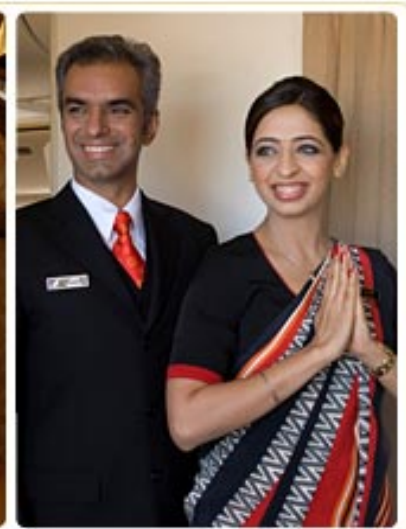

### Non-Stop 'First Class' Experience

With the introduction of these flights, Air India will be the first and only airline to offer its guests a First Class non-stop experience on this sector.

### Limo Service

First and Business class guests will be offered free pick up and drop off service to and from Mumbai and JFK airports on arrival and departure.

### Comfortable Seats

The new aircrafts have been configured with 8 seats in First Class, 35 seats in Business Class and 195 seats in Economy Class. First Class will offer 23 inches wide seats with 80 inch seat pitch, designed for privacy and is a cabin in itself.

These seats translate into fully horizontal/lie flat 31 inch wide beds at the touch of a button. Business class features 19.5 inches wide seats having a large backshell and a privacy divider between seats. These too translate into 26.5 inch wide flat beds with a seat pitch of 76 inch. Economy class features 18 inches wide seats with a 6 inch recline and therapeutic footrest in front of the seat with a pitch of 34 inch. A tethered handset for operation of IFE along with PC power, USB integrated into each seat.
